

DC TO AC POWER INVERTER

MODEL NUMBER: AI-DCAC

FEATURES

- Ultra Compact and portable
- Pure sine wave inverter
- Device Health indicator LED
- Automatic over temperature , Low battery voltage.
- Compact and easy to install.
- Multiple power ratings available.
- The external aluminium body features a heat-sink design for enhanced heat dissipation.

TECHNICAL SPECIFICATIONS

- Input Voltage: 10-15V (12V), 20-30V(24V), 40-60V(48V)
- Output Voltage: 220/230V AC, 50Hz
- Continuous AC output power: 500w/1000w/1500w
- Max momentary AC output power: 1000w/2000w/3000w
- Low battery alarm: 10.4-11V/ 20.5 -22V/ 42-45V.
- High Battery shutdown: 14.5-15.5V/ 29-31V/ 58-62V.
- Peak efficiency: >90%
